

I have always imagined that Paradise will be a kind of library. ~ Jorge Luis Borges

**Sell your cleverness and buy bewilderment; cleverness is
mere opinion, bewilderment is intuition.** ~ Rumi

The integrity of your mind is dependent on your knowing what is *in* your
mind. ~ Raymond Charles Barker, paraphrasing Emerson.

**The art of medicine consists of amusing the patient while nature cures
the disease.** ~ Voltaire

**WHEN THE POWER OF LOVE OVERCOMES THE LOVE OF POWER, THE WORLD WILL
KNOW PEACE.** ~ JIMI HENDRIX

To live is so startling, it leaves little time for anything else.
~ Emily Dickinson

**If you have a childlike belief that *nothing* is too good to be true, it is
possible for you to enter into the greatest blessings of this life.**
~ Norman Vincent Peale, *Enthusiasm Makes the Difference*

There is one sure guarantee given us in life, and that is simply this: somewhere in the larger scheme of existence each and every one of us will receive that which belongs to us---and in every case it will prove to be that which we have been earnestly seeking. There is no need for haste or anxiety as to attainment. Your destiny awaits you. Indeed, you are weaving its pattern and design in every thought you think and every motion you make. Such are the mechanics of the "Ever-becoming of Mind".

~ Dr. Sukuto Nikkioi, *The Magic Bag*, channeled by Mark Probert from Members of the Inner Circle, Teachers of Light.

The world grows more beautiful each day,
And what may yet happen, one cannot tell.
The flowering will not end,
and even the deepest, most distant valley
is blooming.

Now, my poor heart, forget your pain.
Now, all things must change.

~ Ludwig Uhland, *Faith in Springtime*

The overall emphasis of human endeavor is now shifting. Up until now the advances humankind has made in attaining an inner state of happiness have been very small. The frame of consciousness now emerging will simply not allow us to deny the existence of a living cosmos. If we do, there will be backlash of some kind. This is the reason for the urgency of delivering the message of the Mayan Calendar.

~ Calleman, *The Mayan Calendar and the Transformation of Consciousness*

It all has to do with Light being evenly distributed across the planet (and through it). This is a Cosmic Plan, a blueprint, that is obvious now, even by methods other than right brain usage. The PLAN is now, and always has been, in play. IT IS THE PLAY!!!
